

Dear Customer,

Here at PET-Xi we believe in supporting our communities and the safety and well-being of everyone who uses PET-Xi and this is always a top priority. In line with this commitment we remain optimistic however we are actively monitoring the coronavirus (COVID-19) situation and are taking appropriate steps to help keep our staff and customers safe.

As we all adjust to new precautions, I want to highlight a few actions we are taking:

Supporting public health authorities

Our team is committed to support public health authorities in their response to the epidemic and may have to take actions to mitigate risk in line with government and NHS guidance.

Staff showing the symptoms or diagnosed with COVID-19

Any staff or trainer showing the symptoms, has been in direct contact with someone suspected of having COVID-19 or is diagnosed with COVID-19, will be required to self-isolate for 14 days.

Sharing advice to stay healthy

We're reminding everyone who uses PET-Xi to follow guidance from the Government and the NHS. If you're sick, stay home and away from others. Wash your hands frequently and cover your cough or sneeze.

For more information, please refer to the Department of Health & Social Care website.

<https://www.gov.uk/government/organisations/department-of-health-and-social-care>

Thank you for doing your part to help keep everybody safe and for supporting one another as we all work through this crisis. PET-Xi is here to help if you're feeling anxious feel free to give us a call. We can't give medical advice, but hopefully we can help put things into perspective!!!

Fleur Sexton DL
Managing Director
